Traditional sales training is fatally flawed! Research reveals 42% of Training is **LOST** 20 minutes after the Event, 67% is **LOST** after 24 hours & **87% of traditional Training is LOST 30 days after the Event**. **The solution?** Only invest in training that is differentiated from everyone else & based on a time-tested, scientifically-proven study of elite performers in over 20 countries. **What works best?** Amazing content, a proven method & a compelling delivery style that are both consumed and retained long-term.
